CASA of the Mid-Shore offers
LEGACY at auction.

Legacy is an intricate life-size carving available for purchase from September 14th until September 25th, 2017 via on-line auction. *Legacy* is the last piece of artwork to be created by W.G. Sutter, a renowned artist from Trappe, Maryland, who created the carving to benefit CASA of the Mid-Shore. *Legacy* was not yet completed at Sutter's untimely passing in October, 2016. Master Carver Glenn A. McMurdo, of Cobourg, ON, Canada, completed this lovely work of art in the style and design of the late W.G. Sutter.

The family of five will be sold to the highest bidder via an online only auction. For information, call 410-822-2866, ext. 1 or visit www.casamidshore.org.
